A note will be sent home with information on what your teachers are requesting from you for the party. If weather prevents school on the 9th, parties will be rescheduled to Tuesday, February 16th.

COMMUNITY HELPER: DENTAL HYGIENIST...

On Thursday, February 18th all classes will be visited by Ms. Melinda from Danner Family Dentistry. Preschoolers will learn how to take care of their teeth and what happens when you go to the dentist. This special visitor will bring lots of hands on items and teach that going to the dentist is fun!

SUMMER AND FALL SESSIONS...

Many of you have asked about enrollment for summer and fall. We will begin enrolling March 1st for families currently enrolled at Playschool & Pre-K and open enrollment will begin after spring break, on March 22nd. We are currently working on informational flyers and will have them for you later this month. The summer session will be June 8th to July 8th and fall's session begins on August 26th.

NEW this summer, we are opening enrollment to students who have finished Kindergarten. The Pre-K and Kindergarten students will be in a combined class. If there is enough interest, we will be able to offer a 1st thru 3rd grade class. It will depend upon the number students enrolled. If you have a school age child who may want to attend our 5 week summer session, please let Glenda or myself know ASAP.

FROM THE DIRECTOR...

I am currently looking into the possibility of extending our school year for one week. This will be determined at a later date. Please watch for more details later. It will depend on several issues including but not limited to PC schools and our church calendar.

If you have not been receiving emails from me, please leave an updated email address at the kiosk. This is the best way to get last minute updates.
